Notice concerning COVID-19:

As you all know, the recent ongoing COVID-19 pandemic has impacted many people, both at the community level and individually. Hulsey Therapy Services PC remains open so that all our patients can continue to progress through their current medical issues. Hulsey Therapy Services PC has ramped up our daily sterilization /cleaning procedures so that you can be assured that your safety and health is our utmost importance.

During these times of uncertainty, please let us know if you have any concerns.

IMPORTANT : If you do not feel well or think you may have been infected, please contact us in advance before coming in. Also, please contact your primary care Physician if you are symptomatic (fever, chills, new onset cough, shortness of breath, etc.) Also, remember to wash your hands frequently.

Thank you for trusting Hulsey Therapy Services PC with your Therapy needs.
